FARM CITY CELEBRATION

For more than 40 years the Butte County Farm City Celebration has been bringing the farm to the city. Over the decades thousands have boarded the busses on the annual Agri-Business Bus Tour, hundreds of school children have roped a dummy steer and petted a calf at Kids Day, and families from all over Butte County have learned about Butte County's agricultural heritage and character at the Harvest Festival. These events create awareness and understanding of agriculture and give our urban neighbors the opportunity to ask questions and hear about farm and ranch life from the men and women who are caring for our agricultural landscape. This annual November program does not flourish without the support and generosity of the community that it is showcasing.

"Generations of local residents have opened their eyes to the diversity and magnificence of Butte County agriculture because of Farm City Celebration events."

Tod Kimmelshue, Butte County Supervisor
